EVOLUTION

**Jugal Kishore Ghosh
(1909-1993)**

Chief Patron of this college and the donor of the land on which the present college building stands, Jugal Kishore Ghosh (1909-1993) was a pioneer of education in this region. He was a man of enterprise and vision, and his drive to imbibe advance educational opportunities in this region, he had donated land and building for the foundation of this college. The dream that he had of establishing an institution for higher learning, was finally realized on 2007. Since then, the academic staff of this college has been working relentlessly to realize the noble goal envisioned by the late Jugal Kishore Ghosh. Late Mohit Ghosh, son of Sri Jugal Kishore Ghosh, was also closely attached to the functioning of this college. Since 2015, under the able supervision of the newly appointed Principal Dr. A.M.Roy and under the guidance of Janab Rafiqur Rahaman, President of the newly constructed Governing Body of the college, this Institution of Higher Education has embarked on a journey towards actualizing its vision.

“Our ambition is to unfold the sources of India in the profound plane of human nature”

-Sarvepalli Radhakrishnan

ABOUT THE COLLEGE

Ours is an institute with a history of nascent origin, however, moving with steadfast pace toward excellence and grafting its august presence in the national map of higher education and research.

Founded officially on 20th July, 2007, *Amdanga Jugal Kishore Mahavidyalaya* is the crest jewel of the people of Amdanga and adjoining area and an epitome of their dream and demand. The institute started its maiden journey with an extremely limited capacity with a five-roomed small one-storied building, 5 nos. of guest faculties, 2 nos. of casual non-teaching staff and just 57 nos. of enrolled students. With time it achieved a number of milestones and commendable success in developing an academic and administrative infrastructure, although a long way is yet left untraversed. Today the college is sprawled over 2 acres of land by the side of NH-34 with two spacious buildings – “*Kalam Bhavan*” and the newly built “*Bankim Bhavan*” with adequate number of state-of-the-art classrooms, offices, common rooms, gymnasium, modern washrooms and more than thousand students and above 30 numbers of fulltime teachers.

While climbing on its vision of disseminating knowledge and education that globalizes the self and liberates the soul, this institute fosters a lofty mission to contribute remarkably in nation-building by rearing up a community of pupil who are multi-skilled, law-abiding, environmentally conscious, and dutiful as well as to frame an economically viable future for all stakeholders.

From 2023-24 4-year Undergraduate Programme and 3-year Undergraduate Programme Under Curriculum and Credit Framework for Undergraduate Programmes Based on National Education Policy, 2020. The institute currently offers courses on arts stream only, both Honours/Major (in Bengali, Education, English, History, Philosophy and Political Science) and Minor courses (in Arabic, Bengali, Education, English, History, Philosophy, Physical Education, Political Science and Sanskrit) at the UG level with accommodating capacity of more than twelve hundred students. CCFUP (Curriculum and Credit Framework for Undergraduate Programmes) curricula have been introduced in undergraduate courses from the current academic year 2023-24. ICT enabled classrooms make learning both appealing and interesting. The Central Library of the College with a stock of more than four thousand books along with the adjoining Reading Room is one of the best of its kind.

VISION

Amdanga Jugal Kishore Mahavidyalaya, established in 2007, has come a long way in providing social and educational assistance mostly to the underprivileged section of the society. The college offers numerous facilities and is located advantageously over the National High Way (NH-34) which provides easy access to it. The College staff is dedicated towards bringing quality education to the village communities settled around this college.

Message from the President of the Governing Body

Amdanga Jugal Kishore Mahavidyalaya used to be managed by a Preparatory Committee since its inception till 2015, when its first Governing body was formed, and I was fortunate enough to be selected its first President. The college has progressed manifold since then. We have been able to purchase new land adjacent to the college for future development. A new four storied building have been constructed by utilizing MSDP fund of about six crores. Generator, computers, Library equipment and additional books have been obtained from Bidhayak Elaka Unnayan Prakalpa” (BEUP) of Government of West Bengal. Rajyasabha MP Sri Kunal Ghosh has provided us with fund for construction of Computer lab and Library Room.

I am also very pleased to announce that this college takes a proactive and student friendly attitude towards student support issues. Various scholarship schemes of West Bengal Government have been introduced in this college. Teachers and non-teaching staff take an active interest in these matters so that not a single eligible candidate misses her/his opportunity of availing the benefits of these scholarship. These schemes are seen as means of providing equal opportunities to the girl students, students of various reserved communities and minority communities.

This progress could not have been possible without the collaborative efforts of its students, teachers, non-teaching and administrative staff of the college under the able guidance of the Principal of the college Dr. Roy. Our Governing body has always been very supportive of their endeavours and I would like to take this opportunity to thank them all for their whole-hearted cooperation. On behalf of the Governing Body of the college I once again assure of our fullest support for the betterment of Amdanga Jugal Kishore Mahavidyalaya in every way possible.

Janab Rafiqur Rahaman

From the Desk of the Principal

“The highest education is that which does not merely give us information but makes our life in harmony with all existence”

-- Rabindranath Tagore

Dr. Anadi Mohan Roy

It has been almost six years since I joined this college. I am glad to inform that with commendable support from our President Janab Rafiqur Rahaman; honourable MLA of Amdanga, the Members of the Governing Body, Teaching and non-Teaching staff including my beloved students the college has made considerable progress in the last few years.

We can now display proudly one new four storied building along with the existing one in our premises. These buildings have all the features of a state-of-the-art higher educational institute which include smart and airy classrooms, Wi-Fi enabled campus, a large library, Seminar Room, canteen, several water purifiers, water cooler, firefighting equipment and a literally Green Campus. We have recently obtained UGC affiliation under 2(f) and 12(B) schedule of UGC Act of 1956 and are now eligible to seek assistance from University Grants Commission for infrastructural and academic upliftment.

Last one and a half year was a trying time for all of us. Teacher-student direct interaction, the backbone of any educational institution, was restricted due to the pandemic. But we have successfully overcome the obstacles by upgrading our networking system to enable our teachers to take hassle-free online classes on a regular basis.

I would like to conclude with the assurance that I will always be there for each and every student, teacher, and non-teaching staff of the college and hope that they will try their level best to uplift this institution to its fullest potential.
